Multiple sources have told the Globe and Mail and the Canadian Press that Citizenship and Immigration Minister Chris Alexander has decided to move ahead with a plan to conduct a review into the agency's Sexual Orientation and Gender Identity policy, ordered a year ago, in the aftermath of a series of public complaints over the recruitment ads that feature gay applicants and couples. CANDICE, a group of women who submitted complaints to the immigration department, issued a letter to the minister in August saying the ads were discriminatory. Story continues below advertisement They claim the ads targeted applicants from the LGBT community. "Citizenship and Immigration Canada (CIC) wishes to inform you that our agency has decided to move forward with a review of the policies and programs (administered by the department) that are used to provide services to people who are lesbian, gay, bisexual, and/or transgender (LGBT)," the agency said in a statement. "During this review, we will want to consider if any sections of the existing policies are discriminatory, inconsistent with federal law, or cause

Transformers War For Cybertron (US & CAN) Edited by DALMAE SURRIDAY dalmae at sbcglobal.netSat Sep 07 02:29:52 EDT 2011 PrintThis: HOW TO GET TRANSFORMERS WAR FOR CYBERTRON WORKING ON OTHER PLATFORMS Transformers War for Cybertron is the latest game in the Transformers series. It was released on November 6, 2009. This game will function as a single player game, but if you want it to run multiplayer, you will also need the Crackpack downloadable content, which can be obtained for free from this page. Due to the way that the multiplayer works, the Crackpack is not necessary to run the game. You

will still need the Crackpack to play multiplayer, however. As of this writing, the Multiplayer function in the game is incompatible with the Cybercore units that are included with Crackpack 2. The workaround for this is to use the game CD that comes with Autobots or Decepticons. Unfortunately, the multiplayer functionality for the game is not compatible with Nintendo DS, as the game is not able to run in full-screen mode.
